Successful applicants will be admitted to Limited Privilege (LP) membership for a 12-month period. Within this time, applicants would normally be expected to attend three meets of the Club and submit to the Membership Secretary the names of two full members prepared to Propose and Second for full membership.

### **Criteria for LP Membership**

Only currently active mountaineers should apply and recent activity, including dates, should be outlined on the application form as well as past experience. The Club may, at its discretion, consider applications from candidates of more limited experience that may need to expand their portfolio, subject to the proviso below.

### **Criteria for Full Membership**

In order to be granted full membership, applicants must demonstrate proficiency in one or more of the following:-

1. Independent activity on the high mountains of Great Britain in all conditions.

(Low-level valley walkers would normally be discouraged from application).

2. Lead graded rock and/or winter climbs of any difficulty.

3. Independent or guided participation in expeditions to the Alps or Greater Ranges.

4. Independent or guided ski-mountaineering or ski-touring

(Downhill skiing alone would not normally qualify).
